

The Pipeline Path to Your Manufacturing Career

In this 1-hour Workshop, learn about the Eastern CT Manufacturing Pipeline Initiative (MPI) (Workshop available In-Person or Online)

Learn how the Pipeline can give you the entry level skills you need to get a job in manufacturing with one of the 45+ members of the Eastern Advanced Manufacturing Alliance (EAMA), including Electric Boat, and other area employers!

NO COST. NO EXPERIENCE REQUIRED.

- What is the Pipeline and how to enroll
 - Manufacturing Skills Inventory
 - Classroom Training
 - Online Training
- Guided Job Search Assistance

To register contact your local AJC office

Danielson – 860-774-4077
Montville – 860-848-5240
Willimantic – 860-450-7603

Or sign up online at CTHires.com

The information about how to access the workshop will be emailed to participants 24 hours prior to the workshop.

The logo for American Job Center East features the words "americanjobcenter" in a blue sans-serif font, with "american" in lowercase and "jobcenter" in a mix of lowercase and uppercase. A red star is positioned above the "j" in "jobcenter", with a blue swoosh arching over it. Below "americanjobcenter" is the word "EAST" in a bold, red, sans-serif font.
