

TICKET
to **Work**

Scan here and contact
your local AJC for more
information!

Are you looking for work and receiving Social Security Disability Benefits?

Your Ticket to Work could give you more income and independence!

Did you know?

- You can go to work and still receive Social Security benefits
- You may do better by going off Social Security benefits and living on your earnings
- You may have work incentives available that will let you easily go back on your benefits if needed
- Even if you go off your disability benefits, you may still be able to maintain your medical benefits

Do you want to?

- Increase your income
- Explore work options and incentives
- Keep Medicaid/Medicare while you work
- Build your independence and secure your future

Choose the American Job Center as your Ticket to Work provider!
