Manufacturing Pipeline Program targets the Unemployed or Underemployed.
No experience required. Guided job search assistance available.

All CT residents 18 or older who are authorized to work in the U.S. are eligible for the program. The program is provided at NO COST to participants. The Eastern CT Manufacturing Pipeline Program is funded by the Eastern CT Workforce Investment Board (EWIB) through a variety of state, private and philanthropic grant funds. This project is being supported in part by the U.S. Department of the Treasury federal award number SLFRP0128 and the U.S. Department of Commerce Economic Development Administration award number ED22HQ3070186 awarded to State of CT Office of Workforce Strategy.
